Activating human rights and peace : theories, practices ...

Activating Human Rights and Peace is an enlightening collection of well thought through cases aimed at academics and students of human rights, political science, law and justice, peace and conflict studies and sociology. It argues that we need to appreciate that cultivating a human rights and peace consciousness is choice-less: there is a moral imperative to engender and sustain an ethical praxis that is motivated by a concern and commitment for how we live with each other.
