For more news and specials on immunization and vaccines visit the Pink Book's Facebook fan page

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

A vital resource for pilots, instructors, and students, from the most trusted source of aeronautic information.

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.
