Put together your team, schedule, and budget Achieve the results you want. Build realistic schedules, and learn how to keep costs under control Track your progress. Measure your performance, make course corrections, and manage changes Use Project's power tools. Customize Project's features and views, and transfer info directly between Project and other programs

Employment Law Update, 2017 Edition analyzes recent developments in case law of interest to employment law practitioners representing plaintiffs, defendants, and labor unions and comprehensively covers recent developments in the rapidly changing employment and labor law field. Comprised of ten chapters - each written by an expert in employment law - this updated edition provides timely, incisive analysis of critical issues. Employment Law Update, 2017 Edition provides, where appropriate, checklists, forms, and guidance on strategic considerations for litigation and other forms of dispute resolution. Some of the new material discussed in this 2017 Edition includes: How the U.S. Department of Labor enforces federal whistleblower statutes Recent case law circumscribing arbitration, which can, potentially, deprive non-union workers of fundamental statutory and constitutional rights Recent German embrace of minimum wage law Efforts by legislatures, administrative agencies, courts, and public interest groups to transform the -soft law- of the U.N. Guiding Principles on Business and Human Rights into -hard law- binding multinational corporations Special problems relating to aviation personnel who blow the whistle Protection for disabled veterans under the ADA and the USERRA Evolving framework for enforcing the rights of the LGBT population Transnational labor law applicable to expatriates Application of multinational firms' codes of conduct across national borders Application of differing systems of employee rights and obligations to floating employees

An updated edition of the first-ever consumer guide to whistleblowing by the nation's leading whistleblower attorney The newest edition of The Whistleblower's Handbook brings the most comprehensive and authoritative guide to exposing workplace wrongdoing up-to-date with new information on wildlife whistleblowing, auto safety whistleblowing, national security whistleblowing, and ocean pollution whistleblowing. It also includes a new "Toolkit" for international whistleblowers. This essential guide explains nearly all federal and state laws regarding whistleblowing, and in the step-by-step bulk of the book, presents more than twenty must-follow rules for whistleblowers—from finding the best federal and state laws to the dangers of blindly trusting internal corporate "hotlines" to obtaining the proof you need to win the case.
