Michael White tries to emulate some other authors as he tries to incorporate the use of occult in a murder series and does a decent job. The plot is pretty good. The book follows a good, uniform pace unlike some others and speeds up as it builds toward it's crescendo.

Equinox by Michael White - Goodreads

Michael White is a very accomplished author, but until now he has used his writing skills to produce a number of non fiction books. He has been a professional musician, a newspaper columnist, a science lecturer and science editor for GQ Magazine. He lives in Australia with his wife and children and this is his first novel.

Amazon.com: Customer reviews: Equinox

Michael White is an experienced author of non-fiction books, and this is his first venture into the darker side of literature - the novel. Equinox could be - and in fact has been - described as a Da Vinci Code knock-off, and to some extent this is true.

Equinox - Michael White

Equinox: De dag waarop vijf planeten in é é n lijn staan en de dag en de nacht even lang duren. Maar ook de dag waarop de eeuwenlange speurtocht naar het levenselixer eindelijk tot een climax komt. Oxford 2006. Een jonge vrouw wordt wreed vermoord. Haar hart is verwijderd en op die plek ligt nu een oude gouden munt. Vierentwintig uur later wordt het volgende slachtoffer gevonden. Haar hersenen ontbreken en een zilveren munt schittert in de lege schedel... De politie staat voor een raadsel maar als politiefotograaf Philip Bainbridge en zijn ex-vriendin Laura Niven betrokken raken bij deze zaken, ontdekken zij dat deze gruwelijke, rituele moorden een connectie in het verleden hebben. Heden en verleden komen bij elkaar in deze pageturner als de link wordt gelegd naar het 17de-eeuwse Oxford van Isaac Newton en zijn verbeterde speurtocht naar het eeuwige leven... De Australische auteur Michael White kent als geen ander de feiten en achtergronden van de geniale Britse wetenschapper Isaac Newton waarover hij de bekroonde biografie - Sir Isaac Newton, the Last Sorcerer - schreef. Op verzoek van de Nederlandse uitgever schreef White een uitgebreide addendum, dat als ge ï llustreerde bijlage in het boek wordt opgenomen. White heeft meer dan twintig non-fictie boeken op zijn naam staan. EQUINOX is zijn thrillerdebuut waarvoor hij inspiratie opdeed in Oxford waar hij een aantal jaren doceerde.

Equinox - Michael White

The authorized biography of the creator of Middle-earth. In the decades since his death in September 1973, millions have read THE HOBBIT, THE LORD OF THE RINGS, and THE SILMARILLION and become fascinated about the very private man behind the books. Born in South Africa in January 1892, John Ronald Reuel Tolkien was orphaned in childhood and brought up in near-poverty. He served in the first World War, surviving the Battle of the Somme, where he lost many of the closest friends he'd ever had. After the war he returned to the academic life, achieving high repute as a scholar and university teacher, eventually becoming Merton Professor of English at Oxford where he was a close friend of C.S. Lewis and the other writers known as The Inklings. Then suddenly his life changed dramatically. One day while grading essay papers he found himself writing 'In a hole in the ground there lived a hobbit' -- and worldwide renown awaited him. Humphrey Carpenter was given unrestricted access to all Tolkien's papers, and interviewed his friends and family. From these sources he follows the long and painful process of creation that produced THE LORD OF THE RINGS and THE SILMARILLION and offers a wealth of information about the life and work of the twentieth century's most cherished author.

Oxford, 2006: a young woman is found brutally murdered, her throat cut.Her heart has been removed and in its place lies an apparently ancient gold coin. Twenty-four hours later, another woman is found. The MO is identical, except that this time her brain has been removed, and a silver coin lies glittering in the bowl of her skull. The police are baffled but when police photographer Philip Bainbridge and his estranged lover Laura Niven become involved, they discover that these horrific, ritualistic murders are not confined to the here and now. And a shocking story begins to emerge which intertwines Sir Isaac Newton, one of seventeenth-century England's most powerful figures, with a deadly conspiracy which echoes down the years to the present day, as lethal now as it was then. Before long those closest to Laura are in danger, and she finds herself the one person who can rewrite history; the only person who can stop the killer from striking again ...

In all his years on the force, Detective Chief Inspector Pendragon had never seen a corpse like this one. After the initial horror, he recognised the reference to the surrealist painter, Magritte. But that made the crime even more sickening - accomplished, as it had been, with a sickening ferocity which placed it in another league from common or garden homicide. In the Whitechapel area of London in the 1880s, a person, who remains unidentified to this day, committed a series of sadistic murders of local prostitutes, which involved elaborate mutilation of the victims' bodies. Although the contemporary crimes are not directed exclusively at female targets, there is grotesque similarity in the mindset of the two perpetrators - divided, as they are, by more than a century. But Pendragon is determined that his pathologically brilliant killer will not escape detection. THE ART OF MURDER reveals Michael White's mastery of a crime genre that he is making uniquely his own.

Running from a life she didn ' t choose, in a city she doesn ' t know, Sukanya, a young Thai girl, loses herself in Tokyo. With her Bangkok street smarts, and some stolen money, she stays ahead of her former captors willing to do anything to recover the computer she took. After befriending Chiho, a Japanese girl living in an internet caf é , Sukanya makes plans to rid herself of her pursuers, and her past, forever . Detective Hiroshi Shimizu leaves the safe confines of his office to investigate a porn studio where a brutal triple murder took place. The studio ' s accounts point him in multiple directions at once. Together with ex-sumo wrestler Sakaguchi and old-school Takamatsu, Hiroshi tracks the killers through Tokyo ' s teen hangouts, bayside docks and crowded squares, straight into the underbelly of the global economy. As bodies wash up from Tokyo Bay, Hiroshi tries to find the Thai girl at the center of it all, whose name he doesn ' t even know. He uncovers a human trafficking ring and cryptocurrency scammers whose connections extend to the highest levels of Tokyo ' s power elite.
