“ Some books provide us with information about the world, but every once in a while a book appears that enables us to imagine new, more wonderful worlds. [A New Kind of Christianity] is one of these. ” —Peter Rollins, *Ikon* A New Kind of Christianity is Brian D. McLaren ’ s much anticipated follow-up to his breakthrough work of the emergent-church movement, *A New Kind of Christian*. Named by Time magazine as one of America ’ s top 25 evangelicals, McLaren, along with such contemporaries as N.T. Wright, Jim Wallis, and Rob Bell, is one of the acknowledged leaders of a new generation of Christians who want to update their faith for current times while remaining true to the core message of Jesus. In this

The Ad Hoc Committee to Oversee the Use of the Catechism, United States Conference of Catholic Bishops, has found this catechetical text, copyright 2008, to be in conformity with the Catechism of the Catholic Church.

This is the first multidisciplinary text to address the growing scholarly connection between religion and family life. The latest literature from family studies, psychology, sociology, and religion is reviewed along with narratives drawn from interviews with 200 racially, religiously, and regionally diverse families which bring the concepts to life. Written in a thought-provoking, accessible, and sometimes humorous style by two of the leading researchers in the field, the book reflects the authors' firsthand experience in teaching today's students about religion's impact on families. Prior to writing the book, the authors read the sacred texts of many faiths, interviewed religious leaders, and attended religious services for a wide array of faiths. The result is an accurate and engaging account of why and how families are impacted by their religion. The pedagogical features of the text include boldfaced key terms defined in the glossary, text boxes, chapter conclusions, summary points, and review questions. *Religion and Families: Examines several denominations within Christianity, Judaism, and Islam. Reviews findings from racially and ethnically diverse families, from traditional and diverse family forms, and examines gender and life-course issues. Addresses the impact of one's religious involvement on longevity, divorce rates, and parenting styles. Considers demographic, family-, couple-, and individual-level data that relate to prayer and other sacred practices. Presents a balanced treatment of the latest research and a new model for studying family and religion. Explores the "whys," "hows," and processes at work in the religion-family connection. The book opens with a discussion*

of why religion and family connections matter. Chapter 2 defines religion and presents a new conceptualization of religion. Empirical research connections between religion and marriage, divorce, family, and parent-child relationships are explored in chapters 3 through 6. The interface between religion and the family in Christianity, Judaism, and Islam are reviewed in chapters 7, 8, and 9. Chapter 10 explores the unique challenges that religion presents for diverse family forms. Prayer as a coping mechanism for life ' s challenges such as death and disability are explored in chapter 11. Chapter 12 examines forgiveness in the context of marriages and families. The book concludes with a review of the book ' s most important themes and findings. Intended as a text for undergraduate courses in family and religion, the psychology or sociology of the family, the psychology or sociology of religion, pastoral/biblical counseling, or family and youth ministry, taught in human development and family studies, psychology, sociology, religion, social work, pastoral counseling, and sometimes philosophy. This book also appeals to family therapists and counselors.

This textbook discusses, in plain English, the constitutional provisions that criminal justice professionals and students need to know. It uses the conversational approach to exploring the intersection of the U.S. Constitution and the criminal justice system. In this textbook, constitutional principles and requirements matter more than names of cases. Cases are used as examples and stories, but this is not a casebook. Chapter 1 is an overview of the U.S. Constitution. It also examines the Habeas Corpus Suspension Clause, the Ex Post Facto Clause, the Second Amendment, and other provisions. Chapters 2 and 3 examine the Fifth Amendment, including the Self Incrimination Clause. Chapters 4 and 5 examine the Due Process Clauses that appear in both the Fifth and Fourteenth Amendments. The next three chapters examine the Sixth Amendment, which generally protects defendants ' trial rights. The four chapters after that examine the Fourth Amendment, which governs searches and seizures, and related issues. Chapter 13 examines the

exclusionary rule, which applies primarily to searches and seizures. Chapter 14 examines the Eighth Amendment, which bans cruel and unusual punishment. The last two chapters examine the First Amendment, which protects people ' s religious rights and free expression. The textbook is readable, gets to the point, and therefore covers more material than similar textbooks. The author — a former trial and appellate prosecutor at the local, federal, and international levels — has a passion for constitutional law and for sharing what he has learned about it. It comes through on every page.

Collects stories on challenging aspects of life that a teenage girl might encounter, such as doubt, modesty, and partying, accompanying each with a biblical quote, a rule of thumb, a prayer, and suggestions on how to act.
