Reading & comprehension: Age 7-8 (Year 3) | Oxford Owl

Basically put: reading affects writing and writing affects reading. According to recommendations from the major English/Language Arts professional organizations, reading instruction is most effective when intertwined with writing instruction and vice versa. Research has found that when children read extensively they become better writers. Reading a variety of genres helps children learn text ...

If you have any questions on how you can support your child on achieving these objectives outside of school then please do ask a member of our teaching team.

Year 3 Objectives for Writing, Reading and Maths

Reading, writing, and spoken language are not considered separate components of the curriculum or merely ends in themselves; rather they permeate everything the students are doing. There is no division between first learning to read and later reading to learn. (adapted from Weaver, C. 1990) Which style to use in teaching reading has divided educators for years. In 2001, some researchers ...
