My favorite
recommendation is
the NooElec NESDR
Mini 2+ kit you can
get on Amazon for
around \$24 which
includes the SDR,
antenna adapter,
extendable antenna

Download Free Getting Started

with suction cup
mount that also work
magnetically. The
cable, while only
about a meter long,
does allow you to put
the antenna near a
window or at the
edge of your desk
away from any
electronics which
helps improve
reception quite a bit.
