God's Great Dance Floor Joy to the World (Unspeakable Joy) Home I spent many years searching for the best chord charts while preparing for weekly worship services but I became frustrated with because most charts published seem inaccurate to the real life song (the way that the artist would actually play the song on stage). Also many charts include unnecessary chords that get in the way and make it hard for most musicians to actually sound good playing the song. That is why I have written these simple, accurate, and easy-to-play charts. Using my charts, you can play these great songs with 4-5 simple modern chord shapes on guitar or piano. My simple one-page charts will help you play with ease and help you put more focus on what really matters... worshiping God! This book has some great features including: -Strum and Play along on guitar or piano with my YouTube videos for every song at www.worshiptheKing.com/playandsing -Every song is in the key of G to make it extremely easy to learn and play -Easy slash marks so you know exactly when to switch chords. -NO note reading required. You get the same charts the band uses every week to lead worship! How the book is made: Unlike a traditional songbook, this book contains NO LEAD LINES on the musical staff. This book is made to help you play by chords on guitar and piano with simple slash rhythm marks above the words. The great news is that you don't have to be able to read music to successfully play these songs easily and you never have to turn a page to play the full song! This book can be used for guitar, bass, piano, ukulele or any other rhythm instrument!
