**THE FAMILY YAN**

The Harvard College Charter of 1650 established the Harvard Corporation and outlined how the College, and later the University, were to be governed. It committed the school to "the education of the English and Indian youth of this country." The first brick building constructed in Harvard Yard ...

**Looking to the Future—Harvard Medical School**

Established in 1782, Harvard Medical School began with a handful of students and a faculty of three. The first classes were held in Harvard Hall in Cambridge, long before the School's iconic quadrangle was built in Boston. With each passing decade, the School's faculty and trainees amassed knowledge and influence, shaping medicine in the United States and beyond.
