In The Hands Of Taliban

"In the hands of Taliban: An extraordinary story" This is what she named her book. But let me tell you its not an extraordinary book at all. The only reason i read it was because i wanted to know how she was treated by Talibans. Taliban's faith in Allah and their "hospitality" with a prisoner is something you harldy see in wars of this age.

Captured by the Taliban as she attempted to cross the Afghan border to report on the outbreak of war for the Sunday Express, Yvonne found her life hanging in the balance in the hands of the most...

Yvonne Ridley's terrifying 10 day detainment by the Taliban regime in Afghanistan struck a chord that continues to resonate around the world. At a time when the world was plunged into a state of unprecedented chaos and uncertainty following the terrorist atrocities in the US, Yvonne faced the ordeal of her life. Captured by the Taliban as she attempted to cross the Afghan border to report on the outbreak of war for the Sunday Express, Yvonne found her life hanging in the balance in the hands of the most reviled regime in the world. For Yvonne, an

unexpected survival instinct kicked in that saw her face her captors not with fear, but with anger. Her courage and gutsiness, and that of her family, prompted the Taliban to release her, glad to be rid of such a so-called 'difficult' woman. This is Yvonne's full, true story. From her capture, to the ordeal she endured at the hands of the Taliban, to her eventual release; she offers a unique perspective into a way of life that remains a mystery to many. The friendships she formed with her fellow hostages, her feelings about her captors and their beliefs, and her discoveries -- many of which surprised and baffled her -- are all exclusively revealed in detail. Yvonne's story is a truly compelling and inspirational read.

"Yvonne's plight hit the international headlines and her intrepid reporting style roused controversy and concern for her wellbeing. Here she divulges the details of her alarming experiences in the hands of the most reviled and elusive regime in the world. She offers a unique insight into life as an undercover journalist, the Taliban's way of operating, their beliefs, and describes her fellow hostages, war in Afghanistan and her own inner conflict between her family and her job."--BOOK JACKET.

This is the autobiography of Abdul Salam Zaeef, a senior former member of the Taliban. His memoirs, translated from Pashto, are more than just a personal account of his extraordinary life. My Life with the Taliban offers a counter-narrative to the standard accounts of Afghanistan since 1979. Zaeef describes growing up in rural poverty in Kandahar province. Both of his parents died at an early age, and the

# Bookmark File PDF In The Hands Of Taliban Her Extraordinary Story Yvonne Ridley

Russian invasion of 1979 forced him to flee to Pakistan. He started fighting the jihad in 1983, during which time he was associated with many major figures in the anti-Soviet resistance, including the current Taliban head Mullah Mohammad Omar. After the war Zaeef returned to a quiet life in a small village in Kandahar, but chaos soon overwhelmed Afghanistan as factional fighting erupted after the Russians pulled out. Disgusted by the lawlessness that ensued, Zaeef was one among the former mujahidin who were closely involved in the discussions that led to the emergence of the Taliban, in 1994. Zaeef then details his Taliban career as civil servant and minister who negotiated with foreign oil companies as well as with Afghanistan's own resistance leader, Ahmed Shah Massoud. Zaeef was ambassador to Pakistan at the time of the 9/11 attacks, and his account discusses the strange "phoney war" period before the US-led intervention toppled the Taliban. In early 2002 Zaeef was handed over to American forces in Pakistan, notwithstanding his diplomatic status, and spent four and a half years in prison (including several years in Guantanamo) before being released without having been tried or charged with any offence. My Life with the Taliban offers a personal and privileged insight into the rural Pashtun village communities that are the Taliban's bedrock. It helps to explain what drives men like Zaeef to take up arms against the foreigners who are foolish enough to invade his homeland.

Following three Afghans - a Taliban commander, a US-backed warlord and a housewife trapped in the middle of the fighting - through years of US missteps,

# Bookmark File PDF In The Hands Of Taliban Her Extraordinary Story Yvonne Ridley

this dramatic narrative reveals the workings of America's longest war and the truth behind its prolonged agony. 25,000 first printing.

With the vague intention of winning hearts and minds in Afghanistan, the US government has mismanaged billions of development and logistics dollars, bolstered the drug trade, and dumped untold millions into Taliban hands. That is the sobering message of this scathing critique of our war effort in Afghanistan. According to this book, America has already lost the war. While conducting extensive research and fieldwork in Afghanistan's war zones, a drumbeat of off-the-record and offhand remarks pointed the author to one conclusion: "We blew it." The sentiment was even blazoned across a US military fortification, as the author saw at Forward Operating Base Mehtar Lam in insurgency-wracked Laghman Province: "I glanced over at a concrete blast barrier while waiting for a helicopter," Wissing says. "Someone had spray-painted in jagged letters: 'The GAME. You Lost It.'" The author's vivid narrative takes the reader down to ground level in frontline Afghanistan. It draws on the voices of hundreds of combat soldiers, ordinary Afghans, private contractors, aid workers, international consultants, and government officials. From these contacts it became glaringly clear, as the author details, that American taxpayer dollars have been flowing into Taliban coffers, courtesy of scandalously mismanaged US development and counterinsurgency programs, with calamitous military and social consequences. This is the first book to detail the toxic embrace of American policymakers and careerists, Afghan kleptocrats, and the

# Bookmark File PDF In The Hands Of Taliban Her Extraordinary Story Yvonne Ridley

opportunistic Taliban. The result? US taxpayers have been footing the bill for both sides of a disastrous Afghanistan war.

In autumn 2001, U.S. and NATO troops were deployed to Afghanistan to unseat the Taliban rulers, repressive Islamic fundamentalists who had lent active support to Osama bin Laden's Al-Qaeda jihadists. The NATO forces defeated and dismantled the Taliban government, scattering its remnants across the country. But despite a more than decade-long attempt to eradicate them, the Taliban endured—regrouping and reestablishing themselves as a significant insurgent movement. Gradually they have regained control of large portions of Afghanistan even as U.S. troops are preparing to depart from the region. In his authoritative and highly readable account, author Hassan Abbas examines how the Taliban not only survived but adapted to their situation in order to regain power and political advantage. Abbas traces the roots of religious extremism in the area and analyzes the Taliban's support base within Pakistan's Federally Administered Tribal Areas. In addition, he explores the roles that Western policies and military decision making—not to mention corruption and incompetence in Kabul—have played in enabling the Taliban's return to power.

In this powerful book, David B. Edwards traces the lives of three recent Afghan leaders in Afghanistan's history--Nur Muhammad Taraki, Samiullah Safi, and Qazi Amin Waqad--to explain how the promise of progress and prosperity that animated Afghanistan in the 1960s crumbled and became the present tragedy

# Bookmark File PDF In The Hands Of Taliban Her Extraordinary Story Yvonne Ridley

of discord, destruction, and despair. Before Taliban builds on the foundation that Edwards laid in his previous book, *Heroes of the Age*, in which he examines the lives of three significant figures of the late nineteenth century--a tribal khan, a Muslim saint, and a prince who became king of the newly created state. In the mid twentieth century, Afghans believed their nation could be a model of economic and social development that would inspire the world. Instead, political conflict, foreign invasion, and civil war have left the country impoverished and politically dysfunctional. Each of the men Edwards profiles were engaged in the political struggles of the country's recent history. They hoped to see Afghanistan become a more just and democratic nation. But their visions for their country were radically different, and in the end, all three failed and were killed or exiled. Now, Afghanistan is associated with international terrorism, drug trafficking, and repression. Before Taliban tells these men's stories and provides a thorough analysis of why their dreams for a progressive nation lie in ruins while the Taliban has succeeded. In Edwards's able hands, this culturally informed biography provides a mesmerizing and revealing look into the social and cultural contexts of political change.

Since the Soviet invasion of Afghanistan in 1979, Pakistan has faced the threat of terrorism in different forms and shapes. Yet in recent years the threat has taken on a new dimension. After 9/11 the US campaign against Osama bin Laden, al-Qaeda and the Taliban in Afghanistan led to a surge in unrest and violence in Pakistan. Al-Qaeda gained a foothold in

# Bookmark File PDF In The Hands Of Taliban Her Extraordinary Story Yvonne Ridley

tribal regions of Pakistan via their local supporters, the Tehreek-e-Taliban Pakistan (TTP), currently led by Mullah Fazlullah, who unleashed a new wave of terror across Pakistan. Since then, more than 60,000 Pakistanis have been killed as the result of TTP-orchestrated insurgency and terrorist attacks and Pakistan's society, economy and its international image have suffered at the hands of TTP and its affiliated groups. As a result of several military operations many TTP leaders have taken refuge in Afghanistan where they have joined hands with the terrorist group ISIS, the so-called Islamic State, or Daesh by its local name. Pakistan's nascent democratic set-up, in the form of the government of Nawaz Sharif, is struggling to curb this menace. This is the first book to cover all aspects of terrorism in Pakistan and to reveal the composition, ideology, approaches and strengths of TTP and its affiliates. It is essential reading for policy-makers, strategists, security experts and students to understand the intricate contours and dimensions of insurgency and terrorism within Pakistan.

A wisecracking foreign correspondent recounts her experiences in Afghanistan and Pakistan while sharing cautionary observations about the region in its first post-Taliban years and the responsibilities of the U.S. and NATO.

In October 2001, the Bush administration sent Amb. James F. Dobbins, who had overseen nation-building efforts in Somalia, Haiti, Bosnia, and Kosovo, to war-torn Afghanistan to help the Afghans assemble a successor government to the Taliban. From warlords

# Bookmark File PDF In The Hands Of Taliban Her Extraordinary Story Yvonne Ridley

to exiled royalty, from turbaned tribal chieftains to elegant émigré intellectuals, Ambassador Dobbins introduces a range of colorful Afghan figures competing for dominance in the new Afghanistan. His firsthand account of the post-9/11 American diplomacy also reveals how collaboration within Bush's war cabinet began to break down almost as soon as major combat in Afghanistan ceased. His insider's memoir recounts how the administration reluctantly adjusted to its new role as nation-builder, refused to allow American soldiers to conduct peacekeeping operations, opposed dispatching international troops, and shortchanged Afghan reconstruction as its attention shifted to Iraq. In *After the Taliban*, Dobbins probes the relationship between the Afghan and Iraqi ventures. He demonstrates how each damaged the other, with deceptively easy success in Afghanistan breeding overconfidence and then the latter draining essential resources away from the initial effort. Written by America's most experienced diplomatic troubleshooter, this important new book is for readers looking for insights into how government really works, how diplomacy is actually conducted, and most important why the United States has failed to stabilize either Afghanistan or Iraq.
