tiempos modernos. Son muchos los que tornan desconsolados del ateísmo o del indiferentismo, con una profunda sed de Dios que sólo la oración es capaz de saciar. Por eso, un libro como éste resulta interesante no sólo para especialistas sino para todos los orantes, aquellos que desean emprender un camino de oración claro, confiado y perseverante. Teresa de Ávila plasmó en su obra la experiencia de su propia vida no sólo para sí sino para "provecho de otros". La idea de hacer un manual de discernimiento teresiano surge de la dificultad que muchos lectores encuentran con sus escritos. El lector que se aproxima a las obras de Teresa en ocasiones se siente perdido por su lenguaje o por su amplia doctrina. El presente estudio constituye un instrumento práctico que posibilita la comprensión de ciertos datos puntuales en su doctrina (por ejemplo: tentaciones, mociones...) y que pueden servir de ayuda en el itinerario espiritual de los orantes.

This book contains Book of Her Foundations and Minor Works. Includes general and biblical index. In 1573, while staying in Salamanca to assist her nuns in the task of establishing one of her seventeen monasteries, Teresa began composing the story of their foundation. The Book of Her Foundations comprises the major portion of Volume Three. This book not only tells the story of the establishment of her monasteries but, characteristic of Teresa, digresses into counsels on prayer, love, melancholy, virtuous living and dying, plus other teachings of the Mother Foundress. This book also has an excellent introduction, chronology, and map of Teresa's foundations and journeys. Five of her brief works, including her poetry, complete ICS Publications' third volume of her Collected Works. Includes general and biblical index.

"The Book of Her Life" is the spiritual autobiography of a Counter Reformation mystic and monastic reformer of sixteenth century Spain. Introduction by Jodi Bilinkoff.

The best manual of spiritual theology which has appeared to date--the most ordered and complete--a true summa of spirituality. This is a work of extraordinary informative value and yet possessing a notable doctrinal solidity. This encomium of M. M. Philipon, laudatory as it is, does less than justice to this modern classic, now at last appearing in English in a smooth, readable translation and adaptation by Fr. Aumann. For in reality this is three books in one volume. First of all, this is a textbook, a manual whose lucid and orderly presentation of the basic principles of the spiritual life, of the supernatural organism, and of its progressive development recommends it unreservedly for seminarians and other serious students of spiritual theology. As Garrigou-Lagrange points out, the author's order has permitted him to treat all the important questions relative to perfection and to show clearly the basic unity of the Christian life. Thorough and solid as it is, however--firmly based on the chief masters of the spiritual life, St. Thomas, St. John of the Cross, and St. Teresa of Avila--this truly theological synthesis is set forth in clear and accessible form, as its widespread popularity in Spain (four editions in six years) attests. But *The Theology of Christian Perfection* is perhaps even more valuable as a work of spiritual formation. It is an eminently practical manual of sound advice, counsel, and direction with respect to the increasingly fruitful use of the means, negative and positive, for advancing in perfection. As such, it will be immediately valuable for spiritual directors, an indispensable aid for self-formation, and a work of precious merit for all souls desirous of spiritual advancement.

THE convent of St. Joseph at Avila having been inaugurated on August 24, 1562, and the storms occasioned by its foundation having somewhat subsided, St. Teresa received permission from the Provincial, Fray Angel de Salazar, to leave the monastery of the Incarnation and join her new community; she crossed the threshold

of that 'Paradise', as our Lord vouchsafed to call it, about Mid-Lent, 1563, never to leave the enclosure again—as she fervently hoped. She did not know then that God had destined her to more arduous work which would compel her to sally forth and establish convent after convent in distant parts of Spain. Her sojourn at St. Joseph's only lasted four and a half years, but, as she says, it was the happiest time of her life. The convent was small and poor, the observance as strict as human nature, strengthened by grace, can bear, but she enjoyed to the full the peace which, after the many struggles graphically described in the Life, had at length been granted her. Aeterna Press

For the first time, in 33 years, here is a complete analytical and comparative study of the only two English translations of this marvelous work. This effort, which lies within your grasp, is a painstaking effort to not only compare the wording, but also the footnotes and supply variant references to this stunning work; in particular making references back to our copy of the Spanish text for clarity. More importantly, this effort is coordinated with Teresa of Avila's works. Thus an additional 400 notes, in combination with comparatives between the variant references are supplied. This work has been translated by the Sisters of Stanbrook.

"The Life of St Teresa of Jesus of the Order of Our Lady of Carmel" from Teresa of Avila. Spanish mystic and Roman Catholic saint (1515-1582).

Great art Thou, O Lord, and greatly to be praised; great is Thy power, and Thy wisdom infinite. And Thee would man praise; man, but a particle of Thy creation; man, that bears about him his mortality, the witness of his sin, the witness that Thou resistest the proud: yet would man praise Thee; he, but a particle of Thy

creation. Thou awakest us to delight in Thy praise; for Thou madest us for Thyself, and our heart is restless, until it repose in Thee. Grant me, Lord, to know and understand which is first, to call on Thee or to praise Thee? and, again, to know Thee or to call on Thee?
