Mars and Venus Starting Over: A Practical Guide for ...
Some traits identified as male or female could easily apply to the other sex, and the book got tedious and repetitive in parts two (Starting over on Venus) and three (Starting over on Mars). However, with any relationship self-help book, if one can glean a few golden nuggets of truth, go a little deeper into the mystery of self, and see life a little more clearly, then the time was well-spent.
