A True Story Born a poor hill tribe girl from a mountain jungle village in northern Thailand, Lek Chailert spent her childhood learning spiritual and healing powers from her grandfather, the village shaman. Hers was a world filled with beautiful morning calls from hundreds of gibbons, lush jungle foliage, banyan trees and giant timber bamboo, clear mountain creeks, and, from time to time, a wandering Asian tiger. She learned how to collect medicinal herbs and heal sick and injured animals. She also fought a constant battle against the vicious discrimination practiced against hill tribe minorities. Elephant Lady is the true story of this amazing woman. At her low point, she was a hunted woman, targeted for assassination. She became a national disgrace when the world learned that elephants were being tortured for the sake of pleasing tourists at elephant shows. Powerful shadow forces in her native Thailand blamed her for the loss of tourist dollars. Discover the power of truth and conviction as you take one woman's journey into darkness, only to overcome it all, and ascend as the world's premier elephant savior.

“ There ’ s nothing semi about Finn Murphy ’ s trucking tales of The Long Haul. ” —Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he ’ s covered more than a million miles as a mover, packing, loading, hauling people ’ s belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.
