Celebrate gratitude and simple ways of brightening others' days with this sweet, brightly illustrated story about a girl's letters. . . . and her town's overwhelming response. After a wonderful party, birthday girl Grace sits down to thank her friends and family for all their kind gifts. But she doesn't stop there-- as she writes, Grace realizes there are so many things to be grateful for! So she thanks her teacher for helping her learn to write. She thanks her dog for his cheerful wagging tail. She even thanks the sky for being perfectly,

beautifully blue. The Thank You Letter is perfect for starting conversations about gratitude-- both for tangible gifts and for the little things we don't always stop to appreciate. The sweet story encourages young readers to focus on positivity and share it-- to write letters of their own to family, friends, and loved ones and share their joys. For everyone who wants to encourage children to write thank you notes for gifts, and for everyone searching for new ways to connect with distant loved ones, The Thank You Letter is a perfect model for expressing gratitude-- and showcases the joyful response a simple gesture can create. When Grace returns home after delivering her notes, she finds a wealth of affection--cards, letters, and notes from her neighbors and friends, expressing their love for Grace and appreciation for her letters. A beautifully illustrated gatefold page shows how deeply her letters have touched the hearts of everyone around them, and Beloved storyteller and illustrator Jane Cabrera's vivid and textured acrylic paintings are filled with joyful cuteness and warmth. Collage elements, including patterns from the inside of envelopes, smartly add to the epistolary theme. This delightful celebration of mindful thankfulness and community togetherness is perfect for curling up in a cozy spot and sharing one-on-one.

One recent December, at age 53, John Kralik found his life at a terrible, frightening low: his small law firm was failing; he was struggling through a painful second divorce; he had grown distant from his two older children and was afraid he might lose contact with his young daughter; he was living in a tiny apartment where he froze in the winter and baked in the summer; he was 40 pounds overweight; his girlfriend had just broken up with him; and overall, his dearest life dreams--including hopes of upholding idealistic legal principles and of becoming a judge--seemed to have slipped beyond his reach. Then, during a desperate walk in the hills on New Year's Day, John was struck by the belief that his life might become at least tolerable if, instead of focusing on what he didn't have, he could find some way to be grateful for what he had. Inspired by a beautiful, simple note his ex-girlfriend had sent to thank him for his Christmas gift, John imagined that he might find a way to feel grateful by writing thank-you notes. To keep himself going, he set himself a goal--come what may--of writing 365 thank-you notes in the coming year. One by one, day after day, he began to handwrite thank-yous--for gifts or kindnesses he'd received from loved ones and coworkers, from past business associates and current foes, from college friends and doctors and store clerks and handymen and neighbors, and anyone, really, absolutely anyone, who'd done him a good turn, however large or small. Immediately after he'd sent his very first notes, significant and surprising benefits began to come John's way--from financial gain to true friendship, from weight loss to inner peace. While John wrote his notes, the economy collapsed, the bank across the street from his office failed, but thank-you note by thank-you note, John's whole life turned around. 365 Thank Yous is a rare memoir: its touching, immediately accessible message--and benefits--come to readers from the plainspoken storytelling of an ordinary man. Kralik sets a believable, doable example of how to live a miraculously good life. To read 365 Thank Yous is to be changed.

Pig is writing a thank-you note to his grandma when his friend Rabbit comes over to play. Eager to get in on the action, Rabbit writes one of his own . . . and another . . . and another . . . until his flurry of thank-you notes has Pig in a tizzy. Pig just wants to finish writing his note in peace! Fortunately, Rabbit's last thank-you note reminds Pig how lucky he is to have Rabbit as a friend. This funny friendship story shows how different personalities can manage to fit together perfectly. Rabbit's letters to everyone from the president to the crossing guard will have readers chuckling as the delightful duo from Ten Things I Love About You discovers the joy of showing gratitude to the special people in their lives.

At first, Trisha loves school, but her difficulty learning to read makes her feel dumb, until, in the fifth grade, a new teacher helps her understand and overcome her problem.

A young, playful picture book about caring for our Earth and its animals, oceans, plants and trees. With lots to spot and count, and a fold-out surprise at the end!

A guide to writing thank-you notes covers a variety of specific situations, including birthday gifts, friendship, and business opportunities.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

"Originally published in hardcover in the United States by Crown Business, New York, in 2017"--Title page verso.

Jimmy Fallon is very thankful. And in this first book to come from his TV show, he expresses his gratitude for everything from the light bulb he's too lazy to replace to the F12 button on his computer's keyboard. He thanks microbreweries for making his alcoholism seem like a neat hobby. He thanks the name "Lloyd" for having two L's. Otherwise it would just sound like "Loyd." He thanks the slow-moving family walking in front of him on the sidewalk. Without this "barricade of idiots," he might never have been forced to walk in the street and risk getting hit by a car in order to get around them. He's thankful to you, the person reading this right now. It means you're considering buying this book. You should do it. You will be thankful that you did.
