More has been written about Alexander the Great than any other figure in history. Like his boyhood hero, Achilles, he traded long life for lasting fame.

An " intriguing and invaluable " biography of Alexander the Great by the novelist whose fiction redefined Ancient Greece (The New York Times). Acclaimed writer Mary Renault is widely known for her provocative historical novels of Alexander the Great and his lovers. But she also authored this nonfiction classic, a fresh, illuminating look at a man whose legend has remained larger than life for more than two thousand years. From his dysfunctional family dynamics to his molding under Aristotle, from his shocking rise to power at age twenty to the staggering violence of his military campaigns, Renault is clear-eyed about Alexander ' s accomplishments and his flaws. Infectious in its enthusiasm, this is a penetrating study of an unrivaled conqueror, enduring icon, and fascinating man. Hailed as both " a splendid achievement in nonfiction " (The Plain Dealer) and " the perfect companion to her Alexander novels " (The Wall Street Journal), Renault ' s engrossing and accessible biography stands alone in the pantheon of Alexander the Great literature. This ebook features an illustrated biography of Mary Renault including rare images of the author.

New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls " a shining light. " Alexander the Great stands alone as a leader and strategist, and Fire from Heaven is Mary Renault ' s unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son ' s love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror ' s two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone ' s life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. Fire from Heaven is the first volume of the Novels of Alexander the Great trilogy, which continues with The Persian Boy and Funeral Games. This ebook features

an illustrated biography of Mary Renault including rare images of the author. “ Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us. ” —Hilary Mantel

A New York Times–bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel calls “ a shining light. ” The Persian Boy centers on the most tempestuous years of Alexander the Great ’ s life, as seen through the eyes of his lover and most faithful attendant, Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on the Macedon king ’ s life abound. The result is a riveting account of a great conqueror ’ s years of triumph and, ultimately, heartbreak. The Persian Boy is the second volume of the Novels of Alexander the Great trilogy, which also includes Fire from Heaven and Funeral Games. This ebook features an illustrated biography of Mary Renault including rare images of the author. “ Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. The conclusion to the New York Times–bestselling trilogy of ancient Greece by the author Hilary Mantel calls “ a shining light. ” By the end of his reign, Alexander the Great had seized control of an empire that extended from the Adriatic Sea to the Indus River. When he died in 323 BC, a fervent scramble for power ensued. Funeral Games is Mary Renault ’ s remarkable novel of this turmoil and the gradual erosion of the Greek empire. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander ’ s disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, Funeral Games brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. Funeral Games is the final volume of the Novels of Alexander the Great trilogy, which begins with The Persian Boy and Fire from Heaven. This ebook features an illustrated biography of Mary Renault including rare images of the author. “ Mary Renault is a shining light to both historical novelists and their readers.
