Rutherford, things get sticky when the girl he's loved since puberty shows up, conducting her own investigation into the strange occurrences of the small, New Mexico town. He knew it would be a risk coming back to the area, but he had no idea Amber Kowalski had become a bona fide PI, investigating things that go bump in the night. He shouldn't be surprised, however. She can see through the dead as clearly as he can. The real question is, can she see through him? But is anything that's worth it ever easy? To say that Amber is shocked to see her childhood crush would be the understatement of her fragile second life. One look at him tells her everything she needs to know. He's changed. So drastically she barely recognizes him. He is savage now, a hardened—in all the right places—demon hunter, and she is simply the awkward, lovestruck girl he left behind. But she doesn't have time to dwell on the past. A supernatural entity has set up shop, and it's up to them to stop it before it kills again. While thousands of questions burn inside her, she has to put her concern over him, over what he's become, aside for now. Because he's about to learn one, undeniable fact: she's changed, too. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. Book 3 & 4 together...Two KingdomsI'm getting a little tired of completing my goals, only to have the bar raised too substantially for me to transition at a productive pace...I started off as a sad little ghost with an impossible crush on four really hot, Gothic guys with some attitude problems. Now I'm The Apocalypse, they're the Four Horsemen, and Lucifer is my fucked up daddy. Now my additional goals look like this?Goal #9: Make a deal with the Devil without getting cheated, manipulated, or tricked.Goal #10: Make my boys love me and take over the world...okay...so maybe just that first part. That second part sounds like it could take too much ambition, and I just don't have the drive for that.Goal #11: Make cookies.Goal #12: Call dibs on my favorite color.Goal #13: Find out if my siblings or my father killed me and my boys...**** One ApocalypseThe life goals have stacked up since I started this journey as a sad, lonely little ghost. not sure how things escalated so quickly from trying to be seen and heard, to bearing the weight of the world on my vain little shoulders. As a result, my goals have gotten a little more serious... Goal #14: Learn to take a hit without breaking or suffering some type of death. Goal #15: Decide once and for all if I'm going to save or destroy the world. I'm not sure why people put this sort of responsibility on hell-spawn like me. Goal #16: Practice my evil laugh, because all hell-spawn need a good evil laugh. Goal #17: Find and kill all the unicorns. Mwahahahaha. Goal #18: Live to enjoy forever with the guys I sacrificed all my memories to save. Goal #19: No matter what, they don't get to die. Or I really will be THE Apocalypse. We're the most screwed up collection of antiheroes the world has ever seen, because the only thing that makes me want to save the world is knowing I could lose my boys forever if I don't. It's one HELL of a love story, you know? **Sexual Content. **Language Warning. **Dark humor. **Reverse Harem. **Series FINALE. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.
