"Herrera delivers an emotionally resonant, sensually charged second Dreamers contemporary that will knock readers' socks off."—Publishers Weekly, starred review From award-winning author Adriana Herrera comes a heart-warming—and seriously hot—contemporary romance in her highly-acclaimed Dreamers series. Fairytale endings don't just happen; they have to be fought for New York City social worker Camilo Santiago Briggs grew up surrounded by survivors who taught him to never rely on anything you didn't earn yourself. He's always dreamt of his own happily ever after, but he lives in the real world. Men who seem too good to be true...usually are. And Milo never ever mixes business with pleasure...until the mysterious man he had an unforgettable hookup with turns out to be the wealthy donor behind his agency's new, next-level funding. Thomas Hughes built a billion dollar business from nothing: he knows what he wants and isn't shy about going after it. When the enthralling stranger who blew his mind at a black-tie gala reappears, Tom's more than ready to be his Prince Charming. Showering Milo with the very best of everything is how Tom shows his affection. Trouble is, Milo's not interested in any of it. The only thing Milo wants is Tom. Fairytale endings take work as well as love. For Milo, that means learning to let someone take care of him, for a change. And for Tom, it's figuring out that real love is the one thing you can't buy. Dreamers Book 1: American Dreamer Book 2: American Fairytale Book 3: American Love Story Book 4: American Sweethearts Book 5: American Christmas

"Hot, heartwarming, and hilarious...This is a knockout." —Publishers Weekly, starred review Award-winning, highly-acclaimed author Adriana Herrera delivers the sexy, modern enemies-to-lovers romance you've been waiting for. Starting over is more about who you're with than where you live... Julia del Mar Ortiz is not having the best year. She moved to Dallas with her boyfriend, who ended up ditching her and running back to New York after only a few weeks. Left with a massive—by NYC standards, anyway—apartment and a car lease in the scorching Texas heat, Julia is struggling...except that's not completely true. Running the charitable foundation of one of the most iconic high fashion department stores in the world is serious #lifegoals. It's more than enough to make her want to stick it out down South. The only monkey wrench in Julia's plans is the blue-eyed, smart-mouthed consultant the store hired to take them public. Fellow New Yorker Rocco Quinn's first order of business? Putting Julia's job on the chopping block. When Julia is tasked with making sure Rocco sees how valuable the programs she runs are, she's caught between a rock and a very hard set of abs. Because Rocco Quinn is almost impossible to hate—and even harder to resist. Also by Adriana Herrera: Dreamers Book 1: American Dreamer Book 2: American Fairytale Book 3: American Love Story Book 4: American Sweethearts Book 5: American Christmas

"A fresh and vital new voice in romance."—Entertainment Weekly From award-winning author Adriana Herrera comes a novel hailed as one of Entertainment Weekly's 10 Best Romance Novels of 2019 and a TODAY Show

Hot Summer Read. No one ever said big dreams come easy For Nesto Vasquez, moving his Afro-Caribbean food truck from New York City to the wilds of Upstate New York is a huge gamble. If it works? He'll be a big fish in a little pond. If it doesn't? He'll have to give up the hustle and return to the day job he hates. He's got six months to make it happen—the last thing he needs is a distraction. Jude Fuller is proud of the life he's built on the banks of Cayuga Lake. He has a job he loves and good friends. It's safe. It's quiet. And it's damn lonely. Until he tries Ithaca's most-talked-about new lunch spot and works up the courage to flirt with the handsome owner. Soon he can't get enough—of Nesto's food or of Nesto. For the first time in his life, Jude can finally taste the kind of happiness that's always been just out of reach. An opportunity too good to pass up could mean a way to stay together and an incredible future for them both...if Nesto can remember happiness isn't always measured by business success. And if Jude can overcome his past and trust his man will never let him down.

Dreamers Book 1: American Dreamer Book 2: American Fairytale Book 3: American Love Story Book 4: American Sweethearts Book 5: American Christmas

A streetwise heroine crosses from Mexico to USA to find her brother in this mythologizing novel by Juan Rulfo's heir.

A comprehensive, cross-referenced guide to the literature written in the languages of Spain and Central and South America, with entries on works and authors comprising the bulk of the book

"Extraordinary." --Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times. Masterful." --Sandra Cisneros También de este lado hay sueños. On this side too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia--trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running

to? American Dirt will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a Grapes of Wrath for our times" and "a new American classic," Jeanine Cummins's American Dirt is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

To succeed at work, first you need to understand your own brain. If you're in a job interview, how should you think about the mindset of the interviewer? If you've just been promoted, how do you handle the tensions of managing former peers? And what are the telltale mental signs that it's time to start planning your next career move? We know that psychology can teach us much about behaviors and challenges relevant to work, such as making better decisions, influencing people, and dealing with stress. But many popular books on these topics analyze them as universal human phenomena without providing real-life, constructive career help. *Bring Your Brain to Work* changes all that. Professor, author, and popular radio host Art Markman focuses on three essential elements of a successful career--getting a job, excelling at work, and finding your next position--and expertly illustrates how cognitive science, especially psychology, sheds fascinating and useful light on each of these elements. To succeed at a job interview, for example, you need to understand the mindset of the interviewer and know how to come across as exactly the individual the company wants to hire. To keep that job, it's critical to master the mental challenge of learning every day. Finally, careers require constant development, so you need to be able to sense when it's time to move up or out and to prepare yourself for the move. So many of the hurdles you face throughout your career are, first and foremost, psychological challenges, and Markman shows you how to use your different mental systems--motivational, social, and cognitive--to manage them more effectively. Integrating the latest research with engaging stories and examples from across the professional spectrum, *Bring Your Brain to Work* gets inside your head, helping you to succeed through a better understanding of yourself and those around you.

In Marjorie Herrera Lewis's debut historical novel the inspiring true story of high school teacher Tylene Wilson--a woman who surprises everyone as she breaks with tradition to become the first high school football coach in Texas--comes to life. "A wonderfully touching and beautiful story...Tylene makes me laugh, cry, and cheer for her in ways I have not done in a long time."--Diane Les Bocquets, bestselling author of *Breaking Wild Football* is the heartbeat of Brownwood, Texas. Every Friday night for as long as assistant principal Tylene Wilson can remember, the entire town has gathered in the stands, cheering their boys on. Each September brings with it the hope of a good season and a sense of unity and optimism. Now, the war has changed everything. Most of the Brownwood men over 18 and under 45 are off fighting, and in a small town the possibilities are limited. Could

this mean a season without football? But no one counted on Tylene, who learned the game at her daddy's knee. She knows more about it than most men, so she does the unthinkable, convincing the school to let her take on the job of coach. Faced with extreme opposition—by the press, the community, rival coaches, and referees and even the players themselves—Tylene remains resolute. And when her boys rally around her, she leads the team—and the town—to a Friday night and a subsequent season they will never forget. Based on a true story, *When the Men Were Gone* is a powerful and vibrant novel of perseverance and personal courage.

From U.S. Poet Laureate Juan Felipe Herrera comes the story of one teen's emotional journey in the days after 9/11, and a personal look at the culture of Loisaida, the Lower East Side of Manhattan. This emotional and stirring novel won the Américas Award and is written in a unique and arresting style. When the Twin Towers fell, New York City was blanketed by dust. On the Lower East Side, Yolanda, the cinnamon girl, makes her manda, her promise. She vows to gather as much of the dust as she can. Maybe if she can return it to Ground Zero, she can comfort all the voices. Maybe that will help Uncle DJ open his eyes again. As tragedies from her past mix in the air of an unthinkable present, Yolanda searches for hope. Maybe it's buried somewhere in the silvery dust of Alphabet City.
